Express Medical Billing

EMB Billing is a full service OHIP billing solution for physicians practicing medicine in Ontario.

EMB processes and submits billing claims directly to OHIP via EDT on a daily basis.

We immediately follow-up on claims that are denied to ensure that payment is received for all eligible claims.

EMB charges and administration fee of 1.95% for claims submitted, a rate that is both below industry standards and is testament to our commitment in reducing your office overhead.

EMB provides weekly statements of claims submitted to allow for accurate office budgeting.
